The Premises:

The Apartment was new and in what seemed an okay area, felt safe.

The Lady:

Julia was physically stunning, nice long legs, beautiful bum and nice breasts. she didn't speak much English but didn't worry too much about that.

The Story:

Julia was very touchy but when I went to kiss her she moved her head away. This started alarm bells ringing. She then moved to a hand job which I must say was sensational. She then went to the draw in the room and got a Durex. She then would not do oral without. I had requested via e-mail both kissing & oral without, this was clearly not the case. Moved onto sex and to be honest that was great. If you want a lovely looking girl & sex Julia is fine. Once again no kissing Or OWO.. felt cheated
