The Story:

hesitated to post this as Alice may become so busy I would not be able to see her. She is simply the best girl i have ever seen. Imagine all your dreams and wishes colliding and dropping on your doorstep tonight, well this is Alice.

What went on well no blow by blow account as it would take ages to do this girl justice. Suffice it to say, I have been punting since 1977 yes that long but this girl is a wow! a really great girl with looks, personality and a great sense of fun

Alice I cannot wait till next time which will be soon
