The Premises:

Smart ground floor flat in affluent area of London. No safety worries and flat was very clean and well decorated. One room was en-suite and the other has a very adjacent bathroom.

The Lady:

Hannah is Brazilian and has a beautiful fit body with olive skin and curves in all the right places. Highlights are her gorgeous sexy smile and cheeky brown eyes, together with her very prominent always erect nipples. I know it is a cliché, but the photos on the HoD website really don't do her full justice.

The Story:

I first met Hannah back in February, through the site that must not be mentioned, but she is now back working for her previous employer. She has become one of my top 3 escorts of all time. She gives the perfect GFE, her oral is heavenly, as is her DFK, she seems to enjoy reverse oral almost as much as I enjoy giving it and to top it all she is a totally nice person who is very easy to talk to. She has even started to teach me some Portuguese, although I'm not sure how useful, "suck my cock", and "can I lick your pussy" are going to be in everyday conversation. Muitos beijos Hannah, from your Naughty Boy.
