The Premises:

very nice flat near the shopping centre.

The Lady:

beautiful, nice body and friendly

The Story:

She entered the room and we kiss each other then she took money and left the room for a while. She is more beautiful than her photos.

When she come back we kiss again very long and I took off her jeans and clothes to explore her great body.

We moved to the bed then she performed oral on me.

Then it was time for sex and we had slow and long sex on the bed.

Previous night I was tired with my work and I did not go for second round.

Time went out very quick with her so I need to see her again soon.
