The Premises:

Easy to find on main road - used back door so very private. They are doing the house up, so it's sparsely furnished but it's more than OK. Parking is easy in free car park a few doors away - felt safe. Her partner gave me great directions and was there to take the cash - no problem.

The Lady:

Brunette - about 5'7. Size 8 with perfect 34B boobs. Best things about her are her attitude - really friendly and she seems to want you to have a really good time. She was wearing just a black bra and pants which showed her tanned body off really well.

The Story:

I stripped off and joined her on the bed. In no time at all, she was sitting on me rubbing her crotch into mine energetically. We DFK'd and she started rubbing junior very sexily. I slipped her bra off and a deal of mutual kissing and groping followed. I was on a very short fuse and had to stop her.

What was very apparent was that Emma enjoys her work. She smiles and jokes in a very natural way, which helps to accentuate the GFE.

Pants off, I went down on her. This went on for a while and she appeared to enjoy it with no OTT sound effects. When I came up for air she asked if I wanted to come in her mouth - I didn't need to be asked twice. How I managed to prolong it I have no idea, except that I just lay back and thought of Maggie Thatcher - that usually works.

Emma carried on sucking until I was bone dry and I think she swallowed.

All in all an ace punt. so good in fact that I have a new fave rave.
