Lovely slim lady in her mid 30'ties. Nice enhanced breasts and a cute face.

The Story:

I called the agency the day before to make a booking with Alex. She was busy but they recommended Melissa and said she offered the same services. I was interested in A-level and WS and the receptionist took note of it.

The day came and Melissa greeted me in secretary outfit and was very chatty. She is very down to earth and makes you at ease. Started off kissing and she soon wanted to see what I had inside my trousers. While she was busy doing OWO she confirmed that I wanted A-level and WS. After some oral (not in anyway DT) I spanked her a bit while she was bend over the bed. Then I was on my back while she rode me intensely in cowgirl position. Her in doggy pounding her hard. I suggested we'd do some A-level but she rejected it with the explanation that she was too sensitive. Later I suggested it again but she dodged the question. 20 minutes was left and Melissa felt too hot complaining about the air-conditioning. She suggested we'd "freshen" up with me taking a shower and her putting on some make-up. I suggested we'd do some WS but she didn't wanted to do that either. She rushed me out referring that she needed to keep the time.

Melissa is a nice girl so don't get me wrong when I rate this punt negatively. On the agency website Melissa is presented as being a A loving XXX star and the receptionist on the phone recommended her instead of Alex saying she offered the same services. Meslissa was aware of what I wanted but still rejected the request. For ?250 I would have chosen differently being sure I could expect the services I came for.
