The Story:

Haven't been to this place for ages, and have now vowed never to return. Paid 50 to get in and when I asked about extras was told I would have to negotiate with the lady. On entering the room, there was lots of debris from her previous client - used condom wrapper on the bed and sheets untidy. Upon enquiring about extras, it turned out it included pretty much everything aside from penetration - reverse oral, fingering and kissing. If I would have wanted the lot it would have been another 50, taking it to over 100 in total. "Everything has its price", she smirked when I pulled a face as she reeled off the list. I talked her down from 25 for reverse oral as I only had 20 with me. Went down on her and she seemed to enjoy it and got really wet, but to be honest I wasn't really in the mood after having to negotiate, so I just got it over with and left. "My name's Mylee, if you want to see me next time you're in", she said, as I prepared to leave. There won't be a next time. I assume all the girls at this establishment work in the same way. Not recommended at all.
