The Story:

First visit here and it won't be my last, they have lots of ladies working here according to their website. i picked charly, on that day, she was tall, dressing in fishnet stockings, matching underwear. i was offered a drink before and the room had a single bed with 2 large mirrors and air-conditioning. there was a tv playing porn, which i watched while i was waiting for charly, but otherwise i didnt' have time to look at it.

charly offered me a few options, but since it was my first time here, i didn't want to go overboard.

OW, will i played with her pussy, followed by her climbing on top, i finished off with doggy. pleasant chat afterwards, she is not just a pretty face, but also clever, studying a degree course.

she mentioned that she doesn't usually work saturdays, but with a vast array of ladies, i won't really complain if i don't end up with charly or anyone else.
