### The Story:

I arrived late after an embarrassing mix-up over hotels (my fault!), but Emily was very good about it. Once in the room, we sorted out the money and I was offered a massage to start with. I opted for the oil as I prefer this, but there was powder on offer I believe. A very enjoyable massage followed, which I returned in kind once Emily had removed her bra and panties to reveal her perfectly shaved pussy. A short session of light spanking (me to her) followed by some mutual fondling preceded an amazing covered blow job with anal play (her to me). This soon had me harder than a physics degree, and (covered) missionary followed. Emily did allow kissing, but not with tongues. I didn't last long at all and blew my load inside her with a couple of minutes! A further massage session followed after we had cleaned up which lead to round two. We tried reverse cow cowgirl and doggy but I hadn't fully recovered from my first orgasm and kept going soft. Not to be deterred, Emily suggested some mutual masturbation. Emily brought herself off with a vibrator while I wanked, finally managing to cum over Emily's tits! A fantastic end to a fantastic punt!
