The Premises:

Place was very classy, clean, easy to find. Very tastefully decorated.

The Lady:

Stunner! She's young, slim, leggy, beautiful face, and has got a great bod.

The Story:

Vicki was very good at arranging my appointment swiftly. I only had the hour but I had a great time with Isabella. I heard that she was new so didn't know what to expect but she was very charming and natural when I arrived - I couldn't wait to get to it! When we adjourned to the bedroom, she very attentive to all my wants and needs, and definitely made the most of the time we had! ;) She was great! Also a really nice girl to talk to - she can hold a conversation and you can tell she's an intelligent student.

Would love to see her again - she just might become a habit!

Highly recommend.
