The Lady:

As per her photos on the website, I'd say she looked better in the flesh.

The Story:

Overall it was a very good punt, Billie was extremely friendly and made me feel very comfortable, lots of DFK which is one of the reasons I picked her. She also has the sexist arse I have ever seen.

Two negative points for me were that Billie was a smoker and had enhanced breasts neither of which are a turn on for me and it would be useful if such info was made available on the website.

Billie was extremely accommodating and sexy, didn't clock watch and we clearly went over the allotted 30 minutes. Offered me a shower which I accepted as I was totally knackered after our session.

She didn't/doesn't like her clit licked which is a new one on me but preferred the tongue inside her which I duly did.

Thanks Billie, another great memory for when I get old!
