Details of Service Provider:

Profile Name: Asian Escorts London, Asianselection Oriental

Phone: 07770457700

The Premises:

Her place was easy to locate, clean and in a safe area.

The Lady:

Jenny is Thai and she is about 155 cm tall. She has a nice face and a good and firm body. She has had some work done on her bust but it is much better than average and works well for her.

The Story:

Jenny was on time and greeted me in a sexy outfit with a nice smile. She has not been here long, but her conversational English is fairly good considering. I found her willing to take suggestions and she even asked if I was interested in other specialties listed on her page on her agency's website. I found her level of service quite good. Our time was relaxed and did not feel rushed. I have visited other escorts but Jenny is one of the few I want to revisit.
