The Premises:

Local hotel - very discrete. I am always concerned about hotel meets but I needn't have worried
Laura gives precise directions so you are not left in the lobby looking like one of Lewis's

The Lady:

A very attractive lady in her twenties. About 5'8" with blonde highlighted hair. May have put on a few pounds since her pictures were taken by don't let that put you off she is a stunner

The Story:

I had not seen Laura for about 5 years and remembered that I had had a fantastic time before.
Arranged the meet by email (Laura does not give out her mobile number) and arrived near the location and waited for a call to let me know what room she was in.

When I got in the room Laura looked at me trying to remember our last meeting and then she flung her arms around me and gave me a fantastic kiss like a long lost girlfriend

We moved to the bed where we carried on kissing and undressing each other. Laura moved down and took my cock in her mouth and gave a superb blow job that just went on and on. I then got her to play with herself while I told her what I was going to do with her. She seemed to really like this and afterwards it was on with the condom and a session of mish followed by cowgirl and then doggy.

Just when I couldn't hold off any longer it was off with the rubber and she took me in her mouth and swallowed the lot!

I am not going to wait another 5 years before I see Laura again!
