The Premises:

It's a very discreet flat, easy to find and very safe for parking.

She has just moved in and it was therefore quite a mess, however it's basically clean with good shower facilities.

The Lady:

Just like her pictures - which you will find on her profile on a well known site. I found her very attractive. She is about 5'5" tall, slim, nice breasts, landing strip pubes, nice smile and very chatty, friendly and down to earth.

She does smoke, but as there was no kissing this didn't bother me.

The Story:

She advertises as the 'Blowjob queen' and I have to say she does give a brilliant sloppy, wet bbbj. That's pretty much how we started after I had showered. I'd originally booked for 1pm but had a very good journey to where I was going and so asked her at short notice if I could meet her at 10:30. She was very obliging and even opened the door in her robe having just got out of the bath. So I saw her naked first (which was nice) and then she dressed in lingerie while I showered.

Anyhoo - back to the action, as I said she started with a really good blowjob, with me lying on the bed but after a while I wanted to stand and she continued sucking and paying great attention to my balls as well. A bit of 69 ensued and she is very responsive and got very wet. We fucked with her bent over to start with (and she said she came - she was certainly enjoying it) and then with her on her back on the bed. I finished over her mouth - she seems to like cum :-) and is open to having it pretty much anywhere.

I had a quick clean up, a shower and left feeling very satisfied.

I'll definitely go back, but I'm hoping the flat is much tidier next time.
