The Premises:

Opposite the Sainsburys on Finchley High Road, which is a great place to park. Didn't use the shower but room was very nice and clean. I get the impression with Amanda that she takes pride in what she does. The room was spotless and nicely presented, same with her look, same with her service.

The Lady:

Very, very pretty girl and totally spot on with her pictures. Gorgeous big brown eyes that you can just lose yourself in. Breasts are smaller than I normally go for (I normally punt in DD territory), but still a nice handful with very responsive nipples. Not the body of an aerobics instructor but she certainly keeps in shape. Very squeezable ass.

The Story:

She does exactly what it says on the tin, and more. Chatty, friendly, confident and totally gfe. DFK? Hell yes, and proper dfk too, not the usual lip flicking stuff. After a prolonged daty we lay in each others arms kissing. Lips locked and tongues just swirling slowly around each other as she slowly played with me. Wet, sloppy and sweet jesus it was sexy. I'll be back just for the kissing! Anyway, daty (fingers inside), owo and a mind numbing cim. As far as I'm concerned she's the new Clara of North London, but hurry up and see her as she's moving premises soon. (I tried to convince her to stay in the area and move into Clara's old flat!!)
