The Story:

Sent from my iPad

Jessica exceeded my expectations tenfold. She met me at the hotel reception dressed very demurely and elegantly. Sophisticated and sexy.?

Her manner is classy and suggestive at the same time. Physically she's very exciting - she's a fitness fanatic and it shows - you won't find a fitter body in London until august 2012 :)

Facially shes lovely too. I would be proud to be seen out and about with her if that doesn't sound too pompous. I think she's mid to late 30's but looks, skills and stamina wise she would put many a 25 year old to shame. It's a rare treat to meet someone with that level of experience added to the face and body of a fit young thing.?

Agency was easy to deal with and professional. J's services were exactly as advertised but for me it was the sincerity of the love-making that made the experience so exciting. It felt like a passionate date with an old flame or a new lover.?

I'm already planning my next visit which can't come soon enough. Good times :))!
