### Details of Service Provider:

### The Premises:

Reasonably clean, next to barbers and quite busy area

### The Lady:

Not Paris classic but the new one.

Stunning 6ft blond with a models figure and face, its why most guys punt so as to have sex with someone they would never have the chance with. Says Italian but who knows or cares.

### The Story:

Seems shy about her English and maybe that transfers into her performance.

Went for the 15minutes to get the RO and positions.

Started the RO and she was very quiet which I prefer to some of the fake noises others make but as she was getting wet it was having its effect.

Went for cowgirl, doggie and finished by hand.

She could be more engaging but at least she is not being falsly so.

If there is or has been a more stunning girl in Soho I don't know who.
