The Premises:

Smart hotel in Hemel. One of the big national chains. Perfectly adequate for this sort of thing and very discreet and anonymous.

The Lady:

To call Pia a MILF doesn't really do her justice, but it is 100% accurate. Early 40's but looks much younger. Blonde and pretty, with a body (she claims size 12, if there was a size 11, that would be right) to die for and a personality to match.

The Story:

Pia gave me good instructions to get to the hotel and upon arrival gave me her room number over the phone and very shortly she was greeting me at the door. Pia's website gives you a pretty good indication of what to expect when you meet her and that is exactly what you get.

After a quick hello kiss, a "lets get reacquainted" chat (I have seen Pia a few times before), I opted for a shower to freshen me up after my journey. When I bounced out of the bathroom, Pia had stripped to her underwear (sexy black bra, panties and hold-ups) and a certain part of my anatomy jumped at the sight.

Pia offers a first class GFE and it is a hard call to say which of her services I prefer. Her kissing is deep and french and absolutely divine. Her blow jobs are amazing and have to be experienced to be believed. Much of the 2 hour punt was spent experiencing both at great length. However, Pia enjoys the sex too much to leave it at that. Being a lady of the multi-orgasmic variety, RO was greeted with much appreciation and eventually we got around to the actual act in multiple positions, which resulted in a joint happy ending. It all felt very natural and a million miles from some of those sterile punts we sometimes find ourselves saddled with.

After a short recovery period in which the conversation flowed very naturally, Pia initiated round 2 which consisted of a wonderful hand job accompanied by more of her wonderful kissing.

Not once did the booking seem forced or rushed and when I left, after a quick second shower and a goodbye cuddle from Pia, it was with a firm resolve to do this more often in the future. A great

experience with a great lady.
