The Premises:

Top floor flat in a typical Paddington block. Quite a hike.

The Lady:

Very tall in heels. Very slim. Her agency photos had auburn hair but I was confronted with a blonde, which was disappointing. Her breasts very small and withered, her labia...well, you could make balloon animals.

The Story:

Funny isn't it. Sometimes you retain presence of mind and are able to assert your independence, other times you stare into the girl's eyes and next thing you know the money's gone and that's that. And so it was.

I feel a bit sorry for Jacqueline. Her body, once you get the undies off, is pretty tired and maybe there are other mouths to feed, but it really isn't agency class. She has great skills in the owo department but for all that I couldn't get hard enough for the main event. Her tits and ass so depressed that the little general bowed to every rubber we tried. Nothing doing.

Needs a boob job and a new diet.
