The Premises:

Baileys was clean and had a good supply of towels, felt safe, parking in a side street due to roadworks outside the front.

The Lady:

Amy is about 21, medium height and size, with a ample pair of breasts, Dark haired and lovely smile.

The Story:

I had been trying to see Amy for some time, but she is always busy, so rang and got the chance to see her at last, and the wait was worth it, as she is so easy going and sexy as her reports show.

I booked in for 30 minutes as I had not a lot of time, but after a few minutes of her company, I had changed the length of the booking to the hour, Kissing, oral, and a typical gfe was played out with both of us having cum, and we get well worked up into round two, sadly this is where the booking went sour.

Baileys have on their web site, "that the booking does not start till the lady enters the room", Amy entered at 11.40, (big clock on the wall) and the knock came at 12.30, when we should still have had ten minutes left, Amy waited a few minutes before getting of the bed as she knew what was going on, and when I was getting dressed, the receptionist knocked again, I was shown out before I could say anything, so I would see Amy again as she was great, but I will see her at La Maison and give Baileys where they short time folk a miss.
