### The Premises:

Vicotria House - Many previous reports, nice secure car park through very tight entrance off main Rd

### The Lady:

Description on website is about right, enhanced boobs and beautiful curves giving her a great back leading to a lovely bum (possibly a bit odd but I did love her well defined spine)

### The Story:

A great place, not as raunchy as some but definitely gives you the VIP treatment. A very pleasant massage was followed by a naughty tickle and very sexy dance/titlate/rub/whatever. Covered oral and hand relief. All through Melanie kept up a nice line in banter and made it feel like a repeat visit with her rather than the first time it was.
