The Premises:

Hotel on Albert Dock in Liverpool. Very accessible and no need to panic about being spotted at reception as no key needed to get to hotel rooms. Ive seen sarita in various hotels and also outcall so definately turns up.

The Lady:

Exactly as seen in the pictures with amazing firm breasts.

The Story:

Ive seen sarita many times since my last field report. Sarita makes me feel at ease. very intelligent and good coversation as well. City centre hotel - Started off lying on the bed playing with saritas great chest. Loves to have her nipples sucked. This carried on for a while then sarita got me naked. Ive seen a few in the past but without doubt the best oral i have had using mouth and teeth well. Keeps me coming back for more. This carried on while also playing with her nipples.Eventually i could take no more and brought me to completion. Recommend this lady highly and knows how to please. Thanks for a great time x
