The Premises:

Clean and well kept place with a car park next to the place which is free.

The Lady:

Coloured lady early 20's enhanced tits cute smile and fun. The photos on the website do not really do her justice.

The Story:

I hadn't booked and had to come back in half an hour which I did not expect.

When I went back Kandi opened the door, she was free with 2 other girls so I chose Kandi.

She put me at ease and we had a fun time.

I got to massage oil into her breasts.

Had a happy ending and nearly shot it my face.

Then a scrub and shower.

I will return, there are a couple of things that need a mention. My room was small with no window and did not have a seat in the room while I was waiting to see which girl I could choose from.

Shame the shower wasn't bigger so the girl could join you.

Also the shower was a push button one which stopped every 30secondsish

They also need to sort out the pressure as when the toilet if flush or the washing machine is on there is no pressure in the shower.

I hope these can be sorted and when I passing again will drop by
