Details of Service Provider:

Website: <http://www.janice.rare-escort.com>

The Premises:

Upmarket apartment where she actually lives

Very clean home, private gated parking though parked before gate where there is visitors parking.

Felt extremely safe and location very discreet. Just off main A40 as well

The Lady:

Big beautiful woman,

A Voluptuous beautiful girl in her early forties. Though she is of the fuller figure she says she is abit of a BBW (big beautiful woman) I disagree and put her as an extremely passionate sensual rounded woman as a woman should be and something to grab as well!?!

The Story:

I won't go into details of the service but can only say she was very attentive towards my needs especially as i wanted OWO thus the reason why i paid ?120, a little extra for the oral without and to completion. By the end of the session i felt i had lost all my inhibitions. She also had a great personality, very intelligent and also bubbly. To sum her up - A 'Big' Beautiful woman with Big Beautiful breasts (42FF) and a Big personality.
