Nice Girl! About 5'3", said she was a mix of Indian and Portugese. She had the most wonderful eyes, like liquid pools and lovely breasts, probably 34B and she was very friendly.

The Story:

I had been trying for weeks to get an appointment with Jada, but had no time free when she was available. A couple of weeka ago I was to see Ria at Grays Inn Rd on a Tuesday, but that appointment fell through after an incident. I was beginning to think I was cursed when I found I had some time available, but Jada was booked solid for this night as well. The receptionist suggested I meet Anita and I decided to take a chance. And a good decision it turned out to be.

I arrived, a little bit flustered but Anita was sweetness personified and told me that she would make sure I enjoyed myself. She was true to her word and the next half our was spent in a whirl of teasing oral (with) and then sex in various positions, doggy being a particular favourite, and finished off in missionary.

Durng the course of the encounter, Anita had suggested some other variations and asked if I had tried them. I had not, but after this, I would be happy to return and give them a try.

Anita, if you read this, Thank you!
