The Premises:

Her apartment in Leeds city centre was easy to find, very clean and luxurious.

The Lady:

Gorgeous body, her pictures do not do her justice

The Story:

I saw Libby?s profile and she was exactly was what I was looking for. I phoned her and found her very friendly on the phone. Libby met me at the door, dressed very smart and classy.

When we entered the bedroom she took off her dress and has an amazing body. She is a natural seducer, she removed my clothes, constantly caressing me, god I was so hard but she kept me right on the edge.

She is a very classy lady and I prefer not to divulge any further intimacies of our liaison except to say I will definitely be back.
