### The Premises:

Well known.

### The Lady:

Small dark-skinned Brazilian girl with long black hair and lovely in-proportion figure.

### The Story:

In appearance Jenny could pass for a schoolgirl but when she sambas along the corridor in front of you in a multi-coloured bikini, you realise you have got all-woman on your hands - and that you're in for a good time.

Jenny is just a delight. Positive, smiley, naughtily feeding you bits of her body as her hands roam and her mouth ducks down to suck you and kiss you alternately.

My hands seemed to be given free rein and a prolonged spell of 69 was simply delicious.

Sex then covered all the positions we wanted and Jenny was fully involved throughout and at times urgently so.

Don't know why I have not noticed Jenny before but sure glad I have now - a sexy dark toffee Brazilian sweetheart.
