### The Story:

When I arrived both girls were wearing summer dresses with white underwear just as requested. (That's a first!) They immediately made me feel at home with a glass of wine while I sorted the cash. The business bit out of the way and both girls sat either side of me cuddling up and kissing my neck. Lily then started to kiss me softly and deeply. She stopped, smiled and then lent over me and started to kiss Lucy deeply. I was instantly rock hard. We kissed and explored for what seemed like an age sitting there. Then we all fell back on the bed and the action started. And boy what action! I think Lily was really up for Lucy as her hand was in her knickers and two fingers slid into Lucy's lovely pussy. On with the condom and into Lily who was still wildly fingering Lucy who had a big smile on her face. And so it went on for about half an hour one girl then the next. I came hugely in Lucy. We sat and chatted over another glass of wine until Lily went down on me. She gave me a superb blow job while I kissed Lucy and played with her beautiful boobs. Heaven!
