The Story:

Candy gived little kisses and fantastic owo for the ?10 option, she's chatty and very friendly, willing to please and very very good, doesn't feel at all like business, feels like a good friend, she's interested in everything and obviously a caring person, I would highly reccommend her but please be nice, she deserves to be treated well. Oh and she's very sexy, very very sexy with a lovely face to look at during.
