The Premises:

The reception is well run, I'm comfortable waiting even for half an hour, the owner or receptionist is friendly, easy to talk to, grateful for my business, and sometimes I'll stay after the appointment for a coffee before going home. Both reception and the rooms are large, very well appointed, and the only minor gripe is that the towels are very thin

The Lady:

Blonde, Gorgeous, Slender, Ample but not ridiculous assets. I find her extremely attractive, and we have a really good chemistry following several weeks or even months of regular visits.

The Story:

Seeing Cindy is more like seeing a mistress or girlfriend than booking an escort for a mindblowing sexual experience. However, not only that, we can talk frankly, openly, she's taught me several different positions, and nothing has ever been too much trouble to ensure I've enjoyed the (regular) appointments with her. Most appointments are crammed full of sex, however, she's capable of stimulating me again when I go slightly off the boil, and for the invariably electric experience I have with her, I'll always give her a tip. Sexually she's the best lady I've ever been with.
