### The Story:

I do not wish to go into great detail. Suffice to say, she was an absolutely gorgeous woman with a great fun personality, who made me feel like a special guest. She was intelligent and bright and we had a wide ranging chat in between the physical sessions. She is up for most things, but it was mainly oral both ways and sex in different positions we indulged in. She was very vocal throughout. I am not usually able to perform more than once at my age, but Emma made sure I did. There was absolutely no rush and I had my full hours enjoyment

Overall a very special experience with a lovely woman, I shall be back.
