The Premises:

A very nice hotel for an incall location, well located close to public transport links and very discreet.

The Lady:

For those of you who know Emma, an absolute gorgeous, recently had her breast size enhanced to a larger size and boy was it good! A very nice tall lady with bigger than average breasts, exactly as pictured.

The Story:

A wonderful experience with Emma, everything that was listed was everything that was offered. A lot of oral (giving) was done making Emma a very happy bunny. A very flexible girl too that enabled her to climax and me to have a very nice experience. Full of energy and a very down to earth girl.
