The Premises:

Area in back streets of city center. As i walked passed the house door i could hear a group of men speaking in an east european language..this put me at un ease on entering the house.. House clean and tidy but toilet was not available

The Lady:

On entry i thouht WOW ! This girl is stunning, age 19/20 5ft 6 size 8-10 with long dark hispanic hair and olive skin. Fantastic 34/36 DD/EE Tits!

The Story:

On entry to the bed room it was straight down to it, no massage offered...She spoke very very limited english for a spanish girl..As i took my gear of and lay flat on the bed she was straight there with condom in hand giving me hand relief...no communication or titilation she wanted to get to it! I could not get hard! Such a beauty but such a poor punt!

In 15 years of puntting this is a first for me! The worst punt ever! 1 out of 10 and thats because she was fit and great breasts!!

I left and then 30 minutes later i had to go for an asian punt which did not dis-satisfy!!!
