### The Premises:

Located entrance at back of a car park. Buzzer to let in, door open today. Really pleasant man, attending to coffeeshop at entrance and pointed out that 3 girls out of 5 were available and which point 2 young lads finally took the bait and choose 2 slim ladies leaving me with just the only option.

### The Lady:

Dark haired Romanian woman of about 20, 34dd, size 10-12 and a pretty face. Dressed in skimpy clothes. Why not, not much choice on a lazy Sunday afternoon as my lady at GFE did not turn up today.

### The Story:

Sadly no kissing and in fact no GFE at all. A somewhat half hearted attempt at massage and condom on fairly quickly. Bed a bit flimsey and squeaks. No fans in sight. She had a few licks on my covered dick and just looked up at me, no conversation. This train was not going anywhere with zero passion, so a few quick positions and time to leave. Had i checked i could have saved ?20 as 15 minute special weekend costs are much lower- no one mentioned it to me and i did not check the site. It was an impulsive punt. It seemed a promising women, yet not really a good option today. Perhaps another time, another dimension? Cannot see my fellow punters being impressed with Aneta either.
