The Premises:

Debbies is well known on these pages. The room is clean, spacious and has a circular bed which is useful! The area is OK and there is parking nearby. There are shops around the front door with a rear entrance for the weak hearted. I have never had to wait long at the door

The Lady:

Jenny and Tina's pictures are on Debbie's website. The surprise on seeing Tina for the first time is that she is small but perfectly formed, specially if you are a fan of a large natural bosom.

The Story:

I have seen Jenny many times and she jokingly told me some time back that I could not see her friend Tina to keep me to herself. I decided that seeing them both would be the way forward and I was not wrong.

They are good friends and are both entirely uninhibited and that is putting it very mildly. Having relieved me of my clothes Tina gave me a back rub with her front whilst Jenny went downstairs to get me going as if it were needed, turning over they double teamed on the old chap, all the time complimenting me on the size and shape etc.

Sex with each in turn whilst the other plonked themselves on my face and I had to think of smelly socks to delay the inevitable.

Another punter was waiting but I never felt rushed or even aware anyone was there once I got stuck in. A shower then home, grinning all the way.

Damn, they have spoilt me and I am not sure I will tire of this double act till I run out of money.
