Smart, clean flat in a busy area - although in a side street off the main drag.

The Lady:

Jasmine is a voluptuous, Uk Indian girl. She has long dark hair, a playful glint in her lovely brown eyes, lovely large tits with great nipples.

The Story:

Jasmine met me at the front door, after I was given very clear directions on the phone. She is a lovely girl, very cheerful, chirpy and fun - she was very understanding as I was having a bad day. I was offered a drink and a shower. She then removed her leggings to reveal a clean shaven pussy and popped her big tits out of her top. I got naked and lay face down on the bed. Jasmine gave me a good, solid massage that helped me forget my bad day. Then I rolled over and Jasmine popped a condom on me and then gave me the best BJ I have ever had - honestly. I have had many from lots of girls - mostly not WGs though. She was slow and her tongue really explored the tip of my penis. After 15 mins of bliss, I had a lovely suck on her nipples and rubbed her clit and pussy with my fingers. My bad day showed itself unfortunately with a limp member but Jasmine simply returned to her BJ skills and used her mouth to bring me to climax.

Bit gutted that I didn't get to fuck her- would really loved to but my mind got in the way
