### Details of Service Provider:

### The Premises:

End of Terrace ex Council House in a quiet street. Plenty of free parking, reasonably close to bus routes, don't know about trains. Room is basic but clean with fit for purpose double bed.

### The Lady:

Chinese girl in her 20's with the most unusual and special nipples! They were really meaty but when she was not aroused quite droopy, like a flacid cock. When aroused they stood up nicely, just like an erect cock!

She was slim and had a pleasant and obliging personality, although she did not like her nipples given too much stimulation, they were obviously very sensitive.

### The Story:

The basic fee for 20 minutes was ?40, but as before I agreed ?10 extra for OWO.

Sorry, I can't remember too much about the session other than those amazing nipples! I was not rushed and OWO was followed by sex in a couple of positions

Unfortunately I am unlikely to see Mimi again as there is a different Chinese girl here every week.
