The Premises:

Hotel with no probs going in or out tho quite new experience to me. The room fine if bland but shower worked well.

The Lady:

Stunning. Knew she brought a few outfits and included tight dress but blown away by tight black skirt showing off her perfectly formed tight bum and a greeting kiss and cuddle let me feel all the contours.

The Story:

Couldn't fail to have the best time with a beautiful sweet and extraordinarily sexy girl as EvaMay. She is there because she enjoys sex and that is such a difference from most full-time working girls, understandably so.

We quickly got down to the sex on this occasion (second meet) and fortunately I was able to go on a long time to her surprise and evident pleasure.

Finished with a hand job and more easy chat.

Stunning. No other word for it.
