The Premises:

easy to find-minutes away from the main shopping centre. nice apartment,big double bed and nice decor.

The Lady:

exotic,tall,elegant,black,sexy lady. she has great high lighted long hair.

good sense of humour helps put you at ease and really knows how to treat you right once you get started.

The Story:

this is the second time i've seen this lady,had such a good time wanted to see her again.she remembered me which was nice and we started kissing full on almost straight away and i got a hard on ,Bunny realised got down on her knees and gave me a wonderful blow job.it was fab so i wanted to return the favour and got to suck on her hot pussy,i was very turned on by now and even though she was sucking my cock again i really wanted to fuck her. we kissed the whole time and she wrapped her long legs around me making it a really exciting and horny.i came inside her lovely wet pussy,i had wanted to fuck her doggy style but was enjoying it so much i did n't get the chance,next time i'll definately make sure i do.
