The Story:

Diya let me in, she was very friendly and chatty from the off, making me feel welcome and offering me a drink. We started with Diya giving my a very sexy light massage. This was so relaxing, I could of stayed there all day. I turned over and she gave me great covered oral with lots of eye contact. She has beautiful asian eyes. Her body is hot too, especially her peachy bum. Diya has great natural breasts with lovely nipples. I couldn't resist sucking on them. Sex had to be from behind with that great ass of hers and it really didn't take long for me to climax. Diya is an endearing, lovely girl and this was a great punt which I throughly enjoyed. Highly recommend this Indian beauty.
