### The Premises:

D diva's have moved to what i think is a better location though i did get the wrong door as the numbering of the houses lost me. Tidy place and warmly greeted by the receptionist as she got me out of the thunderstorm outside.

### The Lady:

Stunning lady though not quite the same as the pictures, where lighting and make-up make an impact. Still my assessment of this stunning figured woman was maybe 25 years, size 8, 34c beautiful breasts, 5ft 4in and darker skin. She is Portugese.

### The Story:

Lovely, quiet, sensitive woman, who i discovered even naked had something to hide and delight me. Insisted i have shower first and then gave the scotal bag, balls and big john the works. Slow kisses, sensitive, not deep FK, plenty of them. I massaged her and she massaged me back and allowed me to come twice too. That made such a difference is helping me relax. I discovered some interested ticklish and sensitive spots to kiss too.

The first time was quite quick as she is tight and so amazing. Second time round, we rode the course, many positions and a bit breathless in the muggy, hot atmosphere of August. Overall, wonderful, yet again. Thank you Mila and the decadent divas xx. I'll be back.
