The Premises:

This is her home which is cosy and clean. It is located in a good residential area, is very quiet and with on street parking. Its generally very safe and discrete.

The Lady:

Natasha is a very attractive lady with the most stunning body, I mean stunning. Its really a perfect body. She is naturally blonde, has well cut hair, fantastic complexion and smooth skin. She has a welcoming and pleasing personality which puts you at ease almost immediately.

The Story:

Natasha really goes out of her way to ensure that you have the best time possible with her. She provides a GFE (for me) which feels just that. She is bright, sexy, responsive and enjoys what she does. I have seen her a couple of times and have left with a spring in my step and a smile on my face. She is one of those girls that makes you forget some of the others who go through the motions.

A simply stunning looking woman with a good way with her.....go and see her, you wont be disappointed.
