The Lady:

I like brunettes so Anita was dead right for me. Not too tall, slim nice body and very sexy looking indeed. Anita dresse to impress and would not look out of place on any occasion. She is discrete on her entrance to the hotel and very professional. nice friendly girl who is very chatty and whilst being foreign her English is excellent.

The Story:

Anita arrived on time. I got her gift handed over and she took all her clothes off except her sexy underwear which I had requested, I nearly shot my load there and then!!

We had a drink from the minibar and chatted a bit. She started to rub my crotch and soon had me in her mouth for bbbj, good head action loads of tongue. I soon had my hand in her knickers and she was quite wet, she took 2 quite easily as she herself was quite turned on. I concentrated on her a bit and she soon came.

It was time for my fun now, I took of her sexy knickers and pushed int her tight pussy, mish first. After 10 minutes she turned over into doggie and offered me a view of her incredible butt, I kissed her pussy and was soon in her love hole again, great position! A few minutes later she informed me A-levels were included this week, how could i refuse this offer, I pushed my now very well lubricated dick into her very tight hole. It was incredible and soon had me over the limit, she took off the rubber and i came loads all over her face and tits!

Excellent.
