The Premises:

small parlour above a tyre shop

very dirty, especially the shower is disgusting, i didn't dare to put my feet in there as it was full of hair and other dirt

the room basic, not very clean either

The Lady:

very similar to the pictures, tall brunette in her 40's, quite attractive i would say, tan all over

The Story:

friendly girl, talkative, service was average i would say, nothing to remember

finished with cim

i don't know if she is in the raunchy services that advertised on the site, as she is more on the GFE side
