The Premises:

Usual Annabellas - Clean and welcoming

The Lady:

Her pictures are accurate but somehow don't do her justice. Poppy has a gorgeously curvaceous figure, a slim waist, fantastic natural boobs and a pretty face.

The Story:

Nice massage to get me in the mood then turned over for OW with lots of eye contact and fondling. Then sex in cowgirl, nice deep missionary and finishing in energetic cowgirl which must have been hard work for her on such a hot day.

A top unhurried punt with a gorgeous girl - Most definately recommended.
