The Lady:

Hannah is gorgeous, much better looking in real than her pictures and the pictures are not bad. Nice big tits with suckable nipples, gorgeous ass and a shaved pussy.

The Story:

Started off with undressing her and kissing her all over. Then i got undressed and laid her down on the bed and started fingering her pussy deep while sucking on her nipples. We then swapped and she put her pussy and ass over my face so i could finger her while she gave owo. She gives a great owo to completion. A nice massage after i came the first time, some more owo until i got hard again. On with the condom and Hannah started riding me cowgirl, then missionary with her legs over my shoulders, then nice and deep doggy. Finished with a lovely handjob. This is a great girl and i will be back to see her again.
