### The Premises:

Fantasia is a very basic, but perfectly safe establishment, situated on the main Attercliffe Road, with an in-set entrance. Rooms are very plain and small and the beds, to be honest, are fairly uncomfortable. However, cheap and cheerful is what you get here.

### The Lady:

Erica is blond, busty (DD) and Scandinavian! No cliché is this, but she ticks all the 'Abba' boxes you can ever wish for. A very playful girl, who provided an excellent service with an airy attitude.

### The Story:

Erica proclaimed to be Norwegian and I saw no reason why to doubt her, as the accent had undertones of the Scandinavian lilt, but my linguistic skills do not stretch to Northern Europe. Some gentle prodding elicited some general knowledge about the country, which gave me sufficient enough justification that she may have been telling the truth. A student, who's attempting to pay off her loans, I think Fantasia has found itself a good catch here, as she's well above the average standard that you get in this venue. They advertise as cheap, but with limited access, time and service.

Oral with, and sex in positions was accomplished with an abundant playfulness with this girl, who doesn't seem to take many things seriously!

A highly recommended lady, especially so for the money paid.
