The Premises:

Easy to find apartment located at the back of the queens hotel where I was staying on business, Although there was no need for me to drive a note for you guys lots of parking was on hand. Really trendy high spec very clean apartment ensuite clean towels was also offered a large selection of refreshments I think they were more well stocked than the hotel bar.

The Lady:

The first thing I noticed was her smile very pretty face matched her pictures on the site but even better in person large fresh young tits great hour glass figure with firm bum.

The Story:

Lexi could not do enough for me she was great well spoken english girl I believe from the local area. She poured me a drink had brief chat about my hectic day of missing the train. She could see I needed to let of some steam so she started giving me owo in the lounge area she did a great strip tease which got my cock hard as she gave amazing deep throat with loads of eye contact and spitting, I could not take my eyes of Lexi she is a true performer. She slid a condom on and gave me some reverse cowgirl before leading me to the bedroom for some porn star experience she is very experienced and I struggled to keep with her, so Lexi 1 to you but I will be back refreshed and ready for round 2.
