### The Premises:

Discreet side entrance. Meter parking in street nearby. Small flat with just one bedroom and small lounge. Very basic but clean enough.

### The Lady:

Pretty well built girl from Hungary. Nicely proportioned tits and bum, shaved pussy. Very limited English.

### The Story:

I saw Lorys profile and thought she looked quite nice and felt in need of a fuck, the rate was ?40 for 30mins+?20 for OWO. Lory shares this place with 3 other girls from Hungary and they sit in the lounge in various stages of undress while we were in the bedroom. I quite liked the idea of them hearing us while they sat around but no offers of a threesome though. Once in the room we both undressed and started some pleasant kissing and cuddling followed by sucking on those rather nice tits before going down on her sweet and very sensitive pussy resulting in a trembling orgasm for her. She then got me to kneel on the bed before she got down and started sucking my cock. Well this was simply the best deep throat I've ever experienced, deep, slow and wet. No chance of fucking her I just exploded into her mouth and she lapped it up swallowed and licked my cock clean before continuing to suck and lick the shaft, brilliant. Going back for more, see if I can last out and also fuck her. I think this place runs a rota of European girls because Lory is going back in a couple of weeks time.
