The Story:

Time to catch up with my reviews, been very busy lately, barely had time to shag some new beauty. Kitty turned out to be a very pleasant surprise. She was fun to be with and sex was really good indeed. We started off well with a nice massage and a very good blow-job, then, I worked her pussy taking her to the climax, I wore a glove and i've shagged her, first CG then mish, she was all moaning, it didn't sound to fake and I liked it. Very good girl.
